Videos: Goodbye Billy, A Walk through The 20th Century,

Due Thursday

Theme: Do you think that the 1920s should be noted as a decade of anxiety and intolerance or a decade of cultural innovation and liberation? What were the deepest forces shaping American culture in this period?

Class discussion based from presentations.

Due Friday

How did the views and policies of those who advocated the common man change from the age of Jefferson and Jackson to the New Deal? How did government's relationship to business and the common man change between the

Reconstruction Era and the 1930s? (Consider the three R's as a part of your discussion)
